

AT THE
BELL TOWER
ARTS
PAVILION

CREATIVE MINDS AT HeART programs are a comfortable gathering that allow people living with dementia and their care partners to socialize and engage in activities in a safe, welcoming environment.

The natural process of creating and connecting with others builds community and touches lives in luminous ways. Life is full of reasons to gather, celebrate or simply “be a light” to those around us. What’s not to love about being in the circle of support that encourages positive energy and social interaction?

Join us as we create our own piece of art with a little instruction and a lot of encouragement.

Free and welcoming to all. Reserve your spots by emailing Sarah Shaffer at sshaffer@erslife.org, or call 513.979.2312.
